## INTRODUCTION

Every year on January 24, National Girl Child Day is observed which commemorates the inaugural anniversary of *Beti Bachao, Beti Padhao Scheme* (Save the Girl Child, Educate the Girl Child). National Girl Child Day was established by the Ministry of Women and Child Development in 2008. Since then, every year the day has been celebrated across India with a common annual theme. In a country where gender inequality, barriers to education, dropout rates, child marriage and gender-based violence are all issues, the initiative sought to recognise the difficulties faced by girls. National Girl Child Day highlights the importance of girls' rights, equality, and empowerment. In the light of this, a One-Day State Level webinar to observe National Girl Child Day was observed on 24<sup>th</sup> January 2024, jointly organised by the Departments of Sociology, Education & Geography (UG & PG) in collaboration with the Internal Quality Assurance Cell & The Internal Complaints Committee. The programme was conducted through the google meet platform & was scheduled from 1 PM till 3:30 PM. Each speaker was allotted **55 Minutes** to speak on their topic which was followed by an interactive, Question & Answer session.

Two Resource Persons delivered lectures on the occasion:

1. Dr. Trayee Sinha, Assistant Professor, Department of Women's Studies, Diamond Harbour Women's University - We Are the daughters of India - Challenges and Hopes
2. Dr Sudarshana Sen, Assistant Professor, Department of Sociology, University of Gour Banga, Malda, WB - A Sociological Analysis of the 'Girl Child'.

**The joining link of the programme were e-mailed to all the registered participants one day before the webinar.**
